## 1st Model Response December

Lakeside School has rules for two good reasons.

First, rules keep kids safe.

Keep your hands to yourself.

Keep your shoes tied.

Teachers don't want kids to choke on Juicy Fruit, hit, or trip on shoe laces.

Rules also help kids learn.

Do YOUR best.

Whisper.

Do NOT speak when the teacher is speaking.

Kids have to listen so they can hear the teacher say that two is even and three is odd.

## 1st EOY Response

Lakeside School has rules for two good reasons.

First, rules keep kids safe. Coach Pope doesn't want kids to choke on Juicy Fruit, and Mrs. Carlson doesn't want kids to trip on shoe laces.

Rules also help kids learn. When kids whisper in the library, readers can focus. Kids have to listen in class so they can hear the teacher say that two is even and three is odd.

Clearly, Lakeside's school's rules are very important.
